**STEP 1**

On a clean, flat surface, unfold phyllo dough. Layer 5 sheets of phyllo on top of each other, spraying each sheet with butter-flavored nonstick cooking spray.

**STEP 2**

Spoon 1 cup apple mixture down center of layered phyllo, leaving a 1-inch border on short sides.

**STEP 3**

Fold short sides of phyllo over apple mixture; spray with cooking spray.

**STEP 4**

Fold one long side of phyllo over apple mixture; spray with cooking spray.

**STEP 5**

Fold other long side of phyllo over to completely enclose filling; spray with cooking spray.

**STEP 6**

Carefully turn strudel over so the seam is on the bottom. Using a sharp knife, make 1-inch slits in top of strudel at 1-inch intervals. Spray with cooking spray, and bake as directed.
